

# ART WORKSHOPS

WITH GABRIELLE JONES, FINE ARTIST

Detail from *The Distance* – Gabrielle Jones

## Balmain Workshops

Tuition is structured to bring out the best painting outcome for each student, with a variety of exercises to ensure fast learning and early success, strengthen weaknesses in art making, and stimulate creativity and generate ideas for on-going work.

Still life and landscape subjects will be the focus in a fun, hardworking and non-threatening course which is limited to just 6 students per class. You can sign up for any one or all classes (best results, naturally, from a multiple booking).

---

**ALL WORKSHOPS FEATURE PERSONALISED TUITION AND ARE SUITABLE FOR BEGINNERS THROUGH TO ADVANCED STUDENTS. Maximum of 6 students per class (minimum of 3).**

## General Information

A materials list, venue address in Balmain and suggested comfort items to bring will be supplied with confirmation of enrolment.

As class sizes are limited to a maximum number of six students, sessions will be filled on a first registered and paid, first places allocated basis.

A waiting list will be maintained and places available for the next round of classes will be offered on the basis of the following:

1. Existing students; 2. Waiting list; 3. First come, first served.

Similar classes, based on demand, will be scheduled for Spring 2010 so please register your interest in any classes, even if the timetable does not, at present, suit your availability.

All students will be required to sign a declaration of indemnity for injury or loss incurred whilst travelling to, or attending classes held by Gabrielle Jones.
